ETRE IONO-Detox ...

... is a unique bioenergetic field enhancement device, which enhances vitality, clarity of mind and overall well-being. Visible detoxification will convince your customers that this is a MUST !

The benefits of the ETRE IONO-DETOX are:

- Refreshes, revitalises and recharges (indications fatigue or weariness)
- Supports liver, kidneys and intestinal organs with their detoxification tasks.
- Improves skin texture.
- Eases tired and sore muscles, e.g. after running.
- Temporary relief of aches and pains.
- Assists strength and stamina.
- Stimulates circulation.
- Reduces stress, anxiety and tension.
- It is non-invasive.
- It boosts energy and enhances your bio-energetic field.
- Safety: It is the only device that we know of, that meets all European electrical safety standards and even has a certification as a medical device. The ETRE IONO-DETOX includes a number of features such as fuse protection ensuring your safety against power spikes and overloads from you local supply. The power supply is double insulated, designed and built to comply with CE mark domestic standard.

Get more Energy and Detoxify

Designed in Australia it is the leading system in the world in non-invasive energetic hydrotherapy technology. Through electrophoresis it detoxifies at the same time in a very impressive manner.

You simply have to see and feel it ... it's great !
